a prevalent way of viewing leadership is as a process of social influence in this report the authors offer an alternative perspective seeing leadership as a process of social meaning making the practical and research implications of such a view are considered

just as his first book common sense supervision now in its fifth printing helped the new manager to come to grips with new responsibilities this book will help that manager with the next most important task leadership with the same easy manner and reliance on keeping things simple and clear roger fulton prepares the new manager for the first role that leadership plays and explains how to master the principles that can make one effective

leadership is not a role reserved for presidents prime ministers and ceos all of us have the opportunity to be leaders inspiring others while encouraging them to improve themselves in so many ways parents managers coaches union leaders church volunteers and many others can be incredibly uplifting and inspiring its really not that complicated what will you do to be a better leader for your workplace your family or your community

leadership is not a role reserved for presidents prime ministers and ceos all of us have the opportunity to be leaders inspiring others while encouraging them to improve themselves in so many ways parents managers coaches union leaders church volunteers and many others can be incredibly uplifting and inspiring it s really not that complicated what will you do to be a better leader for your workplace your family or your community

helps the new manager with the next most important task leadership

psychology and leadership working together to benefit you as you share it with others common sense leadership is full of insight and ideas these give a different approach to leading leading is important but the qualities of a leader are only as important as those that need them common sense leadership is encompassed by a psychological base it isn t rule bound nor instructive it is meant to be elusive it isn t meant to identify anything that is either good bad or indifferent common sense is universal some of my writing will be insight and ideas are different their extent of use depends upon you and how or if you would like to apply them positive circling sharing a vision and managing energy are essential to a workplace running a workplace with raw energy is a challenge boundaries leveraging against the downside validating achievement and spiking attitudes with a bonus help to control it understanding power and people also help many workers have been side tracked today i believe labels and talk have a lot to do with not finding something better to do this doesn t help us when it comes to working together understanding your workforce and understanding how to create an environment that optimizes it makes sense to lead with that direction makes sense as well i am happy to share my interest in your efforts

leadership is not a mysterious phenomenon it is a combination of skills and observable behaviors that can be learned common sense leadership is a practical manual designed to teach qualities and concerns of a good leader to anyone new to or experienced

leadership is not a role reserved for presidents prime ministers and ceos all of us have the opportunity to be leaders inspiring others while encouraging them to improve themselves in so many ways parents managers coaches union leaders church volunteers and many others can be incredibly uplifting and inspiring it s really not that complicated what will you do to be a better leader for your workplace your family or your community

outstanding leadership is the kind that inspires employees delights customers and achieves extraordinary business results and no one knows more about this kind of leadership than lee cockerell the man who ran walt disney world resort operations for over a decade in creating magic he shares the ten practical common sense strategies that guided his own journey from a poor farm boy in oklahoma to the head of operations for a multibillion dollar enterprise combining surprising business wisdom with insightful and entertaining stories from his four decades on the front lines of some of the world s best run companies lee shows all of us from small business owners to managers at every level how to become better leaders by infusing quality character courage enthusiasm and integrity into our workplaces and our lives

a book about common sense what it is how to make it and how to put it into practice across all contexts of leadership and life

all leadership decisions are not complicated however leaders themselves can make decisions more complicated than they should be ego insecurity indecisiveness fear etc contributes to the lack of common sense leadership needed today the factors afore mentioned create confusion that can impede sound leadership decision making this lack of common sense decision making communication and or implementation tears away at the fabric of our cities states and nation if you are in government it cripples businesses if you are an entrepreneur it destabilizes our schools if you are in education it is no longer the question of where have all the leaders gone but rather where have all the common sense leaders gone

common sense leadership is a unique and practical book every leader will want on his or her shelf the book offers a common sense approach to making hard decisions relationship building communication delegating responsibility receiving and giving

criticism correcting and disciplining second guessing past decisions leadership discernment and conducting business meetings the book has an added bonus it contains a helpful study guide conveniently located between chapters dr roy harris is a veteran leader whose experience spans 40 plus years of leading in the business educational and religious worlds his experience as a business manager college administrator pastor and denominational leader shows on each page of the book he began leading at age 17 as night manager of a fast food restaurant and led events involving up to 6 000 people with budgets over 1 000 000 leaders in the business education and religious worlds can benefit greatly from this quick read it s filled fresh hands on illustrations taken from the streets where we all live leaders will reach for common sense leadership time after time as they are confronted with the daily realities of leadership

the author makes a critical assessment of the difference between being a leader being a manager he sees managers as folks who manage things have little power credibility or influence over their subordinates while leaders lead people are sensitive to both the company demands the needs of their followers workers the book shows leadership starting where management leaves off or cannot assimilate into a people oriented supervisory system dr knox says leadership is a process of growth that has a vision of improving what is already in place leadership is grounded in disciplined focused passion this text is rich in example explanation yet written in a light hearted fashion
