through careful analysis of jack kerouac's *on the road* omar swartz argues that kerouac's influence on american society is

largely rhetorical kerouac's significance as a cultural icon can be best understood swartz asserts in terms of traditional rhetorical practices and principles to swartz kerouac is a rhetor who symbolically reconstructs his world and offers arguments and encouragements for others to follow swartz proposes that on the road constitutes a rhetorical vision a reality defining discourse suggesting alternative possibilities for growth and change swartz asserts that the reader of kerouac's on the road becomes capable of responding to the larger confusing culture in a strategic manner kerouac's rhetorical vision of an alternative social and cultural reality contributes to the identity of localized cultures within the united states

a view from the bottom offers a major critical reassessment of male effeminacy and its racialization in visual culture examining portrayals of asian and asian american men in hollywood cinema european art film gay pornography and experimental documentary nguyen tan hoang explores the cultural meanings that accrue to sexual positions he shows how cultural fantasies around the position of the sexual bottom overdetermine and refract the meanings of race gender sexuality and nationality in american culture in ways that both enable and constrain asian masculinity challenging the association of bottoming with passivity and abjection nguyen suggests ways of thinking about the bottom position that afford agency and pleasure a more capacious conception of bottomhood as a sexual position a social alliance an affective bond and an aesthetic form has the potential to destabilize sexual gender and racial norms suggesting an ethical mode of relation organized not around dominance and mastery but around the risk of vulnerability and shame thus reconceived bottomhood as a critical category creates new possibilities for arousal receptiveness and recognition and offers a new framework for analyzing sexual representations in cinema as well as understanding their relation to oppositional political projects
